According to Habib Munoz, in the AK-47 case from January, GND was unable to file the weapons charge against the suspect, the co-owner of the club Robert Abrahamian. Apparently, the firearm had certain "add ons" that made the weapon compliant with California law. However, Bert Feldtz was able to file a Possession of Narcotics for Sale case for Abrahamian's possession of marijuana, hashish oil, and mushrooms. This case is pending..

Also, the 18+ over promoter has pulled out of the location and relocated to downtown. HWD Vice has also recently received inquiries from potential buyer of the property, seemingly indicating that the location is being offered for sale. Finally, after the last early morning opening where Chris Miller cited for Loud Music, HWD Vice has not seen any additional activity. Munoz will continue to closely monitor the location.. and I will keep you updated.

George,

I would like to clarify a few things in regards to the stance of LAPD for The Argyle. I understand that you are frustrated that you did not get an outcome you wanted from LAPD, however keep in mind that the actual decision is up to the Zoning Administration and we simply make recommendations. I will try to explain why we make the recommendations that we did. The Hollywood Standard Letter on file clearly states several specific things that we would be opposed to universally in Hollywood for a restaurant 47 type license. Those include closing after midnight, not having a commercial kitchen with full menus, live entertainment, dancing, and alcohol sales without food sales. Your operation currently exceeds the majority of those conditions we would normally oppose or recommend removing. Of course this would cause a lengthy appeal process and time and money for The Argyle. Currently with the Councilmen's Office, LAPD, and several Neighborhood Council's on the same page, that would not likely be a desirable outcome for The Argyle. LAPD did not oppose those items at the hearing because of your current status of being a responsible operator. The Argyle was not singled out in any way shape or form. I would hope that not taking a position on all of those things would be an indicator to you that you are in fact being rewarded as a responsible operator, and not being thrown into the same category of irresponsible operators. The point made about the requested modification being removed in 2011 is that we are essentially adding it back. The condition was removed because it was a double with the one that remained. It was not removed because it was not needed or not intended to be there. It was removed because the other condition remained that covered it.

I did make it clear that the condition requesting minimum number of drinks required was NOT what you were concerned about or requesting when presenting the information to my supervision. The Zoning Administrator may remove that portion anyway simply because it is Alcohol Beverage Control related. The Zoning Administration no longer writes any alcohol related conditions into a Conditional Use Permit.

LAPD has to look at the bigger picture at all times. In the case of The Argyle we were able to reward you by not arguing several points that directly contradict the Hollywood Standard Letter. We have a standard for a reason, and we stick to our standard for the sake of not setting any bad precedent or giving other operators an argument that we are showing favoritism. If however you still feel it is necessary to discuss this in person we can set up a meeting with the Vice Lieutenant and/or Vice Supervisor who were involved in the outcome of our official letter.

Absolutely. We will discuss those concerns with them. As of now, the owner, Johnny Houston has been in constant contact with Tom Meredith, making sure they are not disturbing his residents. One step in the right direction.

We will stress the impact their establishment has made on the residents in the area and inquire about the progress in sound proofing their patio. Their CUB does not allow amplified music or entertainment in the patio area, so we will make that VERY clear. We will also stress the importance of CUP compliance, particularly their noise issue. I will keep you posted on how the meeting goes.

Secondly, we will NOT be rescheduling Cosmo's meeting. After further discussion, LT. Ling believes we did due diligence in trying to meet with them. At this point, we are not amenable to meet. We are prepared to move forward with the revocation hearing.

No worries. They need to comply with their CUP completely and immediately especially regarding the noise. I believe their CUP states that there is not to be ANY noise emanating from their property to the outside, which means that they need to reconfigure things immediately on their patio. Please let them know that hundreds of residents live a block away, and there are two new residential buildings under construction, which will bring in hundreds of more residents within half a block of their location. They need to comply with their CUP and respect the neighborhood.

Hi Benny T,

First off, I miss you, secondly, you're the best.

Jackie Lawson came by and picked up her cases. She took the ones I completed. I'm working on the one you left on my desk last night. Jackie wants a non-official meeting with Rocky Wiles about Cosmo in preparation for the hearing. She mentioned wanting to obtain a list from Rocky of violations that would lead to revocation hearings for future investigations. I know you have a good rapport with Rocky and have been in constant communication. Think you can arrange a meet and confer with Rocky, having Jackie present? Call me.

Jackie also said she'd like our complaint applications to be "more juicy". Meaning, she wants more counts to file against these owners, not just CUP violations. She'd like to see a bigger range of violations like drunk service, buggy bottle, service to minors, sexual assaults, etc. along with the CUP stuff. She said the investigations will hold more weight.

She also mentioned that she has requested to have a meeting with Central Trials regarding the filing of our cases. She said she would let Sgt Munoz know when the meeting will take place so we can attend. Alright, that's all I got for you. Thanks partner. I started early today so I may be gone by the time you come in. Call me if you want to discuss. Thanks partner.

Hey Sgt,

I spoke with Rick Blake today, the consultant/attorney representing Nightlife Group, LLC regarding Cosmo Nightclub.

They have requested a "sit down" with Vice/LAPD to discuss Cosmo. They are interested in hearing from us as to the ongoing issues at the location and would like to discuss how they can resolve the problems and "be better operating citizens". He indicated the owner, Alberto Aguilar, resides in Arizona but his operations manager, Conrad Straub was available to meet.

I advised him it'd be in the owner's best interest to attend the meeting along with his managing staff. Rick Blake is going to call us Monday with available dates for the owner and staff. He did not specifically request the Captain's presence so I think having LT, you, ABC and Ben present may be sufficient. We'll keep you posted as to the dates he provides. They are clearly attempting to remedy the situation before their revocation hearing April 18th. Call me if you have any questions.

Sir,

Here are the main bullet points for the Cashmere hearing. I also attached what Sgt Munoz will be presenting that covers bullet points #2-#7 clearly. That presentation only briefly covers bullet point #1 by mentioning violations from "multiple agencies.". That is why I added more detail here.

1. Violations from multiple entities including the State Department of Industrial Relations and Employment Development for no workers compensation, The Zoning Administration for Conditional Use Permit violations, Detective Support and Vice Division of LAPD for operation of a strip club, LAPD Hollywood Gangs for the arrest of an employee security guard for GTA and narcotics, Building and Safety, LAPD Hollywood Vice for prostitution of four employees, and LAPD West Bureau Homicide for the death of an underage employee disk jockey.
2. Violations presented at the public hearing cover a two year period
3. Multiple violations during the appeal process of the denied Conditional Use Permit
4. Refusal to correct the non-compliance after multiple admonishments
5. Negative impact on the community and quality of life for residents
6. Constant strain on Police resources
7. Revocation necessary

Sir,

The following is a recap of tonight's results. There will be two officers on overtime due to the arrest of one of the owners at Joseph's for having an AK-47 in his office. Officers are currently working on completing only the property report and well as face sheet of the arrest in order to book the guns, narcotics and ammunition. We are currently working on possibly getting a morning watch to book this evidence for us. We will complete the arrest report tonight in order to minimize overtime.

Here are the violations.

- Ø Valet at Sunset and Wilcox: Shut down due to lack of permits.
- Ø Boulevard 3: Building and Safety identified code violations.
- Ø Davey Wayne's: Cited for CUP violations including noise violations. Four security guards were cited for no guard card.
- Ø Joseph's: The owner at Joseph's was arrested for 30605 PC, possession of an assault rifle. The second owner was cited for various CUP violations and 347(b) PC, contaminated bottles. Building and Safety identified minor violations. The club was then shut down and party goers were cleared due to the booking of the manager. ABC was present during this arrest and advised that they will initiate the revocation process on this location.
- Ø Project LA: Cited for CUP violations.
- Ø Cosmo: Complaint application was filed by West Valley Vice.
- Ø Scorpion: Cited for CUP violations.
- Ø Tekila: No violation.
- Ø Loaded: No violation.
- Ø Cabo Cantina: No violation.

Sir,

Just to update you. I saw that Cashmere was advertising a New Years Eve party, so I contacted zoning regarding the Cashmere CUP to verify some info. What I found was that the revocation is not effective until January 4, 2016, so they are able to have the New Years party, provided they adhere to all the existing conditions of their CUP.

I also talked to their attorney, Michael Koladzi who stated that they had filed an appeal of the Zoning Administrators findings, and pending the outcome of the appeal, they were still able to operate past January 4, 2016 (I am waiting on confirmation of that from Zoning).

Unrelated, The W Hotel is planning on using the rooftop (formerly Drai's) to host a New Year's party. I am checking to see if the CUP is still valid and the status of the ABC license as well.

I will keep you updated.

Thanks Jeff,

As we discussed please review CUP to see if they have already violated any terms of their CUP and please confirm they still have an active ABC license. I believe they have not used it for over 30 days which automatically suspends it from being used. Please confirm with Kim Walchoski from ABC.

Thank you

Hey Gentlemen,

I just wanted to update you all regarding the 3.18 Investigation that I currently have at the "Cashmere" nightclub located at 6757 Hollywood Blvd (Dr No. 15-330116). The investigation is again up for continuation or close out and as of November 29th I have not heard definitively as to whether or not the Zoning Administrator revoked the "Cashmere" CUP. Regardless of the CUP status the establishment is advertising a New Years Eve event set to occur on December 31st and promoted by outside promotion group "California Nightlife" who interestingly enough was the same promotional group that hosted the event that "Cashmere" held on October 31st. "Cashmere" is already selling tickets for the concerned event and it is my plan to operate it regardless of the establishment CUP status. Other than this event the premises has been totally non-operational and no activity has been observed in or around the site.

I have been working with Deputy City Attorney - Jackie Lawson, who has filed all of the arrests we have made during this 3.18 investigation. All of the matters are currently being adjudicated and Lawson has requested the maximum penalty for all of the various cases (6 pending 12.29 LAMC and 347b PC cases). In addition, CD 13 Field Deputy - Dan Halden, Building and Safety Principal Inspector - John Whipple, and City Planners - Aleta James and Timothy Fargo have been collaborating with me in achieving a CUP Revocation, which will hopefully occur before the new year.

On December 1st, I am meeting with representatives from Zoning and City Planning and should be able to receive concrete information regarding the location's CUP status. I will be sure to relay any new and relevant information. As the location is still advertising events and the CUP status is unclear it is my request that this 3.18 Investigation be allowed to continue.

Thank You for your time and consideration,

I spoke with Sgt Azpeitia who informed me that they did investigate that night. The club was open, but only had about 50 people in attendance. I will check with the officers tomorrow when they work to see if they observed any CUP or ABC violations and get back to you.

Hello Gentlemen,

Hope this email finds you well, I'm sending you all the most recent information regarding the 3.18 Investigation our Office is directing at the "Cashmere" nightclub located at 6757 Hollywood Blvd. It is my desire to continue the investigation for another thirty day period as we are coming very close to obtaining a successful revocation of the location CUP and need some additional time to ensure that it happens. I'm pasting my most recent investigative notes so you all can look through the latest actions we have negotiated in this investigation. Please let me know if you have any questions or if a continuance will be an issue, Thanks.

With Respect,  
Officer Thompson  
Serial No. 39467  
Hollywood Vice  
Mobile No. (805) 624-2015

Here is the most recent investigative summary:

Since this Investigation was initiated it has been the joint goal of Hollywood Vice along with the Los Angeles Department of Building and Safety and City Planning to encourage (Through investigative measures and a through compilation of evidence), the city Zoning Administrator to revoke the Conditional Use Permit associated with the 6757 Hollywood Blvd "Cashmere" property. It was the opinion of representatives from these agencies that revocation of the establishment CUP would be the most effective way to abate this nuisance location and eliminate the dangerous environment it's operation creates and nurtures. With the assistance of City Council Member - Mitch O'Farrell and his field deputy - Dan Halden, Hollywood Vice and the other collaborating city agencies made major progress in accomplishing this mission as on October 22nd, Los Angeles Zoning Administrator - Jack Chang held a public hearing regarding the "Cashmere" nightclub and heard testimony from city officials and business representatives insistent on the necessity of CUP revocation. At the conclusion of the hearing, Zoning Administrator - Chang informed Investigating Officers that he would decide on the proposed Revocation of Use in thirty days (November 22nd, 2015). Chang advised that Hollywood Vice could add additional weight to the appeal if investigators were able to provided him with additional evidence that the operators were continuing to act in willful disregard of the operational standards imposed on them. He felt that if the proprietors of "Cashmere: continued to violate the provisions of the CUP following the public hearing it would support the assertion that

revocation is the most prudent course of action as it pertains to this problem location. Hollywood Vice is aware that the "Cashmere" operators have been organizing and advertising a large scale nightclub event on Halloween night (Promoted as "The Haunted Castle"). Our Office plans to operate the function in order to gather additional evidence and ensure a revocation of the establishment CUP. In addition, the Officers of Hollywood Vice will continue to monitor business activity at the site and negotiate additional operations if the opportunity arises.

Currently "Cashmere" operations have all but ceased, as Investigating Officers found the location closed on the last two instances they responded to attempt operations of the business. Apparently operators have moved the previously promoted functions (Specifically the "My Castle" promotion) to the associated "Cosmo" nightclub (Located at 6364 Hollywood Blvd and operated by the same Licensee - Alberto Avila). On October 16th, 2015, after finding the "Cashmere" premises closed, Officers responded to the "Cosmo" location and negotiated an Undercover and Uniformed inspection of the site. The inspection resulted in the identification of multiple CUP and ABC violations and resulted in the arrest of 9 minor Suspects for violation - 25665 B&P (Minor in a public premises), one security guard (Kevin Rhey) for Violation - 7544.6 B&P (Acting as Security Guard without a State Guard Card) and the business manager - Conrad Straub (Who is also the manager for the "Cashmere" business) for Violation - 12.29 LAMC (CUP Condition Violation, Conditions No. 10 and No. 22). The occurrence was documented on a Complaint Application filed under DR No. 15-06-22543.

Rog. Thanks for the update.

Hello Gentlemen,

Hope this email finds you well, I'm sending you all the most recent information regarding the 3.18 Investigation our Office is directing at the "Cashmere" nightclub located at 6757 Hollywood Blvd. It is my desire to continue the investigation for another thirty day period as we are coming very close to obtaining a successful revocation of the location CUP and need some additional time to ensure that it happens. I'm pasting my most recent investigative notes so you all can look through the latest actions we have negotiated in this investigation. Please let me know if you have any questions or if a continuance will be an issue, Thanks.

With Respect,

Here is the most recent investigative summary:

Since this Investigation was initiated it has been the joint goal of Hollywood Vice along with the Los Angeles Department of Building and Safety and City Planning to encourage (Through investigative measures and a through compilation of evidence), the city Zoning Administrator to revoke the Conditional Use Permit associated with the 6757 Hollywood Blvd "Cashmere" property. It was the opinion of representatives from these agencies that revocation of the establishment CUP would be the most effective way to abate this nuisance location and eliminate the dangerous environment it's operation creates and nurtures. With the assistance of City Council Member - Mitch O'Farrell and his field deputy - Dan Halden, Hollywood Vice and the other collaborating city agencies made major progress in accomplishing this mission as on October 22nd, Los Angeles Zoning Administrator - Jack Chang held a public hearing regarding the "Cashmere" nightclub and heard testimony from city officials and business representatives insistent on the necessity of CUP revocation. At the conclusion of the hearing, Zoning Administrator - Chang informed Investigating Officers that he would decide on the proposed Revocation of Use in thirty days (November 22nd, 2015). Chang advised that Hollywood Vice could add additional weight to the appeal if investigators were able to

provided him with additional evidence that the operators were continuing to act in willful disregard of the operational standards imposed on them. He felt that if the proprietors of "Cashmere" continued to violate the provisions of the CUP following the public hearing it would support the assertion that revocation is the most prudent course of action as it pertains to this problem location. Hollywood Vice is aware that the "Cashmere" operators have been organizing and advertising a large scale nightclub event on Halloween night (Promoted as "The Haunted Castle"). Our Office plans to operate the function in order to gather additional evidence and ensure a revocation of the establishment CUP. In addition, the Officers of Hollywood Vice will continue to monitor business activity at the site and negotiate additional operations if the opportunity arises.

Currently "Cashmere" operations have all but ceased, as Investigating Officers found the location closed on the last two instances they responded to attempt operations of the business. Apparently operators have moved the previously promoted functions (Specifically the "My Castle" promotion) to the associated "Cosmo" nightclub (Located at 6364 Hollywood Blvd and operated by the same Licensee - Alberto Avila). On October 16th, 2015, after finding the "Cashmere" premises closed, Officers responded to the "Cosmo" location and negotiated an Undercover and Uniformed inspection of the site.
